

Subject: Letter of Intent for the Conservation and Restoration of the Bibliothèque Orientale and Map Archive

Dear [Donor's Name],

I am reaching out to share an extraordinary opportunity to preserve and protect one of the Middle East's most significant historical and intellectual treasures—the **Bibliothèque Orientale (BO) at Saint Joseph University of Beirut (USJ)**.

For over a century, the **Bibliothèque Orientale** has served as a premier center for research and knowledge, housing:

- ✓ **3,700 rare manuscripts**
- ✓ **230,000 books**
- ✓ **4,110 historical maps**
- ✓ **250,000 photographs**

This collection is an **irreplaceable window into the cultural, historical, and academic heritage of Lebanon and the region**. However, due to environmental conditions, age-related deterioration, and the lack of conservation resources, many of these priceless artifacts are at risk.

A Vision for Conservation & Global Accessibility

To address these challenges, **USJ is launching an ambitious conservation and restoration initiative** that will:

- **Establish a dedicated Conservation Center** for the restoration of rare manuscripts, maps, and historical documents.
- **Digitize and Preserve Fragile Materials**, ensuring global scholarly access.
- **Restore the Map Archive**, with a focus on historical cartography essential for academic and cultural research.
- **Promote Heritage and Learning**, through exhibitions, academic programs, and public access to restored materials.

A Partnership for Lasting Impact

We are seeking **visionary philanthropic partners** to help bring this project to life. **Your foundation's leadership in cultural preservation and education aligns perfectly with this initiative**, and we would love the opportunity to explore how we can collaborate to protect this vital legacy.

As a key philanthropic supporter, there are **meaningful opportunities for recognition**, including:

- **Exclusive Naming Rights** for the new Conservation Center at the Bibliothèque Orientale.
- **Global Recognition** through exhibitions, academic research, and media coverage.
- **A Lasting Legacy** in preserving Middle Eastern history for future generations.

I would welcome the opportunity to discuss how we can work together to ensure the success of this initiative. **Please let me know a convenient time to connect.** I look forward to exploring how your foundation's vision and mission can align with this transformational project.

With gratitude,
